## HB 580

### KNURLED SOLID BRONZE D STAIR RAILBRACKET

The HB 580 Knurled Stair Rail Bracket is a new classic, milled from solid unlacquered bronze and designed to age gracefully. Each end has the additional detail of custom lathe knurling.

Brackets are designed for a 30-50mm rail. Please note while the HB 580 comes complete with a solid bronze rose, installation of the rose is optional depending on your aesthetic. Please see images below for both versions.

Projection from wall (offstand) : 100mm  
Overall height (upstand) : 65mm

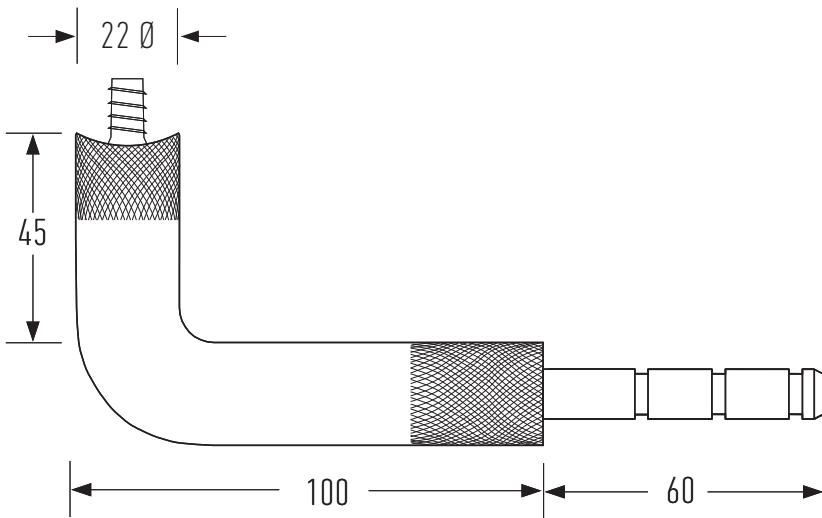

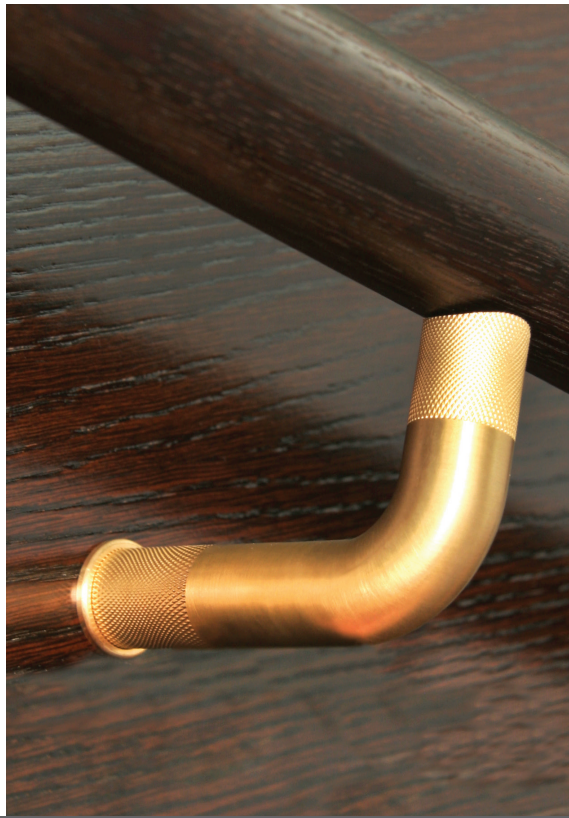

Includes all fasteners. Epoxy sold separately (please contact your local H+B dealer for further information).

Material : LG2 (leaded gunmetal) Bronze  
Recommended Spacing : 600-800mm

See finishes sheet for further details.

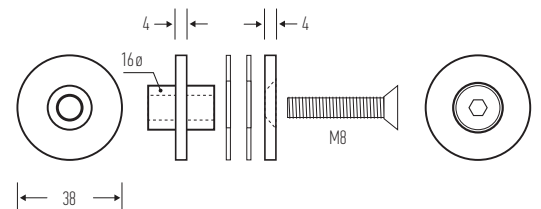

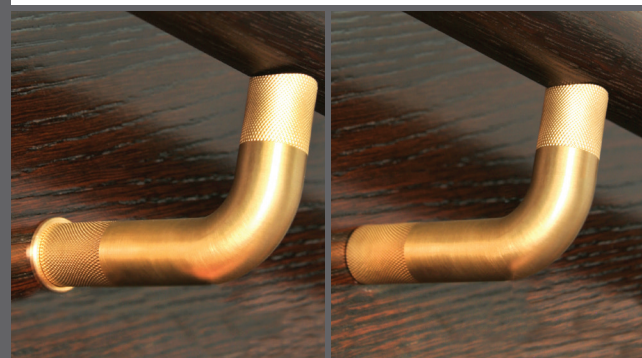

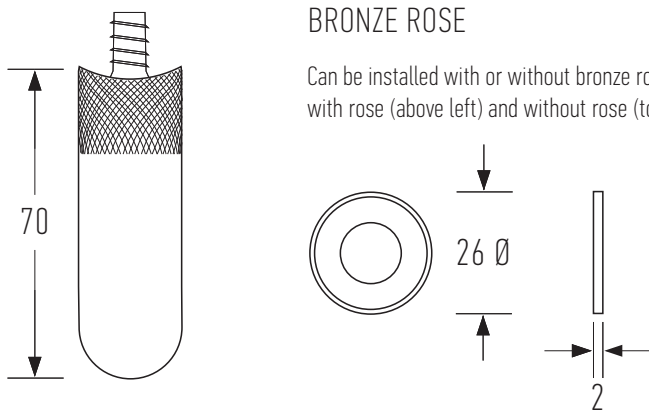

Halliday + Baillie brackets are tested in accordance with both the AS/NZS 1170.1:2002 (Structural Design Actions) standards and the International Building Code, IBC (2003) to comply with the 200lb fall rating.

Please contact your Halliday + Baillie representative for the matching solid bronze Glass Fixing Kits.

### BRONZE ROSE

Can be installed with or without bronze rose. Shown installed with rose (above left) and without rose (top right).

Designed and manufactured in New Zealand. For more information, installation templates, and measured drawings of this product and others please visit : [www.hallidaybaillie.com](http://www.hallidaybaillie.com) or contact your authorized Halliday + Baillie dealer. All information subject to change.
